

Card Phone Power Bank

Card Phone Power Bank

- Our new slim card style power bank fits perfectly into a pocket or bag, so your recipients will soon come to rely on this sleek and functional corporate gift – the perfect way to showcase your brand
- 4,000mAh battery gives enough power to fully recharge even the biggest and powerful mobile phones fully once, or partially a few times
- Integrated USB-C cable and dual micro-USB/lightning cable to charge your mobile phone on the go
- In addition to a micro-USB port, it features a USB-C input port to fast charge the device itself
- Customise with your logo printed in full colour.

Packaging

Standard Packaging

Standard packaging in a white card box

Custom Packaging

Standard packaging plus a custom sleeve. A full colour printed sleeve that wraps around the standard box, to allow customisation with logo and corporate messages.
